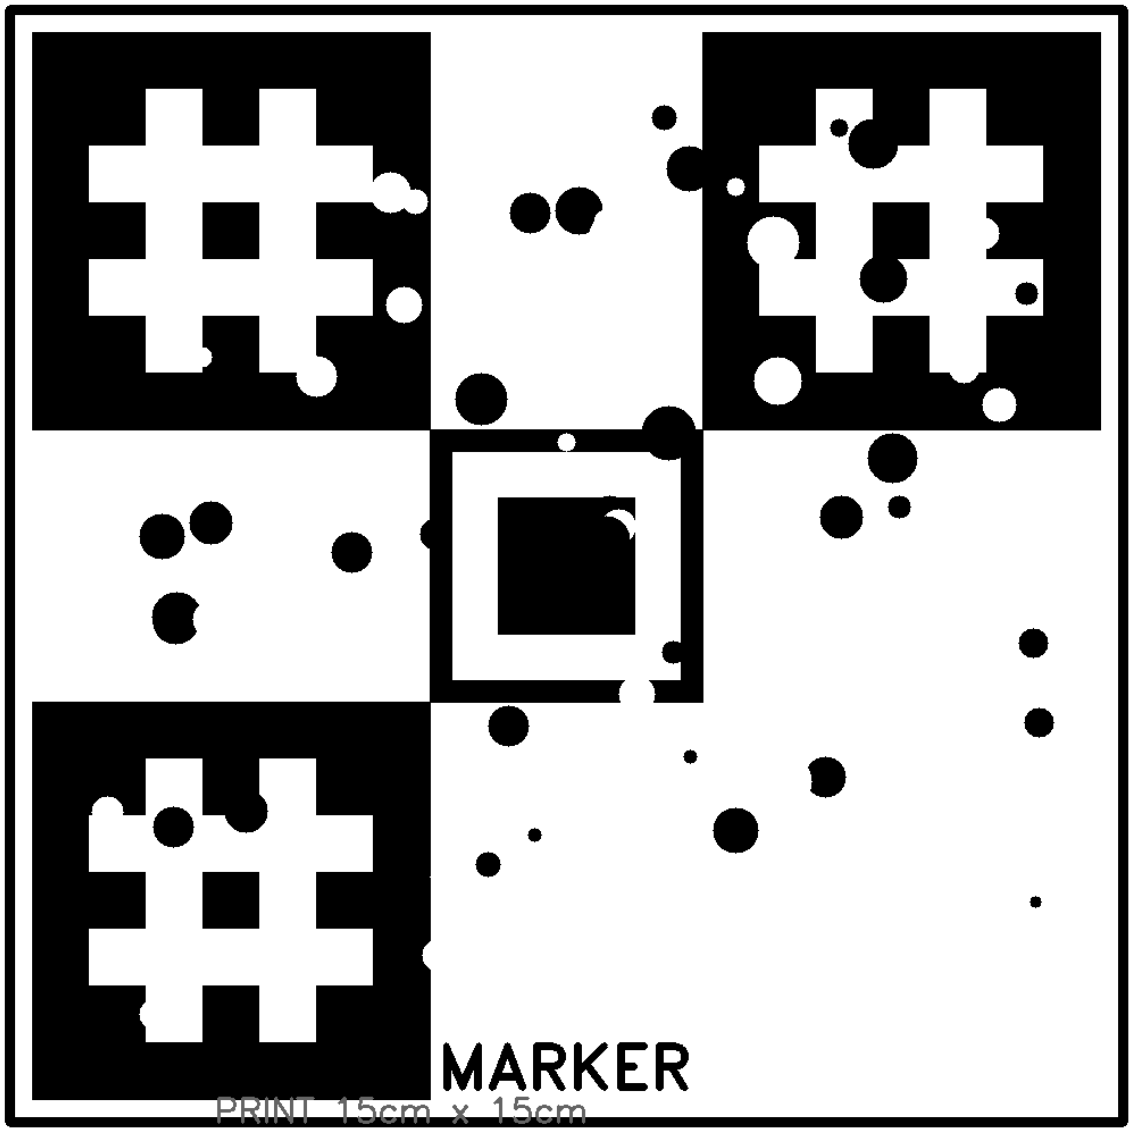
A3R Reference Marker — Print at EXACTLY 15cm x 15cm



PRINT INSTRUCTIONS:

1. Print this page at 100% scale (do NOT scale to fit).
2. The marker square must be exactly 15cm x 15cm after printing.
3. Measure with a ruler after printing to confirm size.
4. Place flat on workbench beside breadboard — marker must be fully visible.

Unity Setup: XRReferenceImageLibrary physicalSize.x = 0.15 (metres)
